Farmington Vision Plan

In thinking about the future of Farmington a number of ideas have been discussed through the process to date about what the City could be. The common theme in these discussions have been should the City have limited growth (Keep it the way it is), or have considerable growth (Grow up into a 'big city'). Now is your chance to weigh in on this important question. On a scale of 1-10 what do you think the future of Farmington could be?

1 2 3 4 5 6 7 8 9 10

Limited growth (Keep it the way it is)

Considerable growth (Grow up into a 'big city')

1998 Vision

1998 Vision

1998 Vision Plan

5/1/1998 - 1/1/1999

1998 Vision Plan

Four key elements of the preferred future were identified for further analysis. These were:

- Parking, Traffic and Pedestrian Friendliness
- Green Space, Park Use,
- Culture, Entertainment and Community Activities,
- Business and Restaurant Mix

what will success look like?

Business and Restaurant Mix Task Force

- Attraction of a major destination retailer
- More restaurant choices
- Quality merchandise and customer service
- Places to explore
- A pedestrian-friendly downtown with accessible parking
- Public spaces created for civic and cultural activities
- Shoppers in the district days and evenings

Cultural, Entertainment, and Community Activities Task Force

- Establishment of a permanent non-profit organization and director to organize activities
- Downtown as a destination for cultural and commercial activity
- Regular, varied, accessible, and well-publicized cultural activities

Green Space and Parks Task Force

- More intimate, enclosed park areas
- Creation of a cohesive sense of place
- Integration of pedestrians, cars, green spaces, and businesses
- Abundance of recreational and social opportunities for all residents

Parking, Traffic and Pedestrian Friendliness

- Increased sense of pride in being part of the Farmington community
- Improvement and change
- Citizens/residents drawn to the downtown area
- Feeling of a unified community
- Less noticeable vehicular traffic
- Ample, accessible and aesthetically pleasing parking

The Vision for Downtown Farmington...

1. Pedestrian Friendly
2. Multi-Use Oriented
3. Focused around Parks and Green Space
4. Improve the Economic and Cultural Core of Area

08 Vision

ision Plan

nts of the preferred future were identified for further were:

Traffic and Pedestrian Friendliness
pace, Park Use

Entertainment and Community Activities,
and Restaurant Mix

What will success look like?

Business and Restaurant Mix Task Force

- Attraction of a mix of destination retailers
- More restaurant choices
- Quality merchandise and customer service
- Places to explore
- A pedestrian-friendly downtown with accessible parking
- Public spaces created for civic and cultural activities
- Elements in the district days and evenings

Cultural, Entertainment, and Community Activities Task Force

- Establishment of a permanent non-profit organization and director to organize activities
- Downtown as a destination for cultural and commercial activity
- Regular, varied, accessible, and well-publicized cultural activities

Downtown Retail Market Data

Data generated for a restaurant in downtown Farmington

Area	Pop.	Pop. Density	Household Income	Median Household Income	Median Rent	Median Price

Treasure Card

WHAT IS THE ONE THING YOU TREASURE MOST ABOUT FARMINGTON?

Farmington Vision Plan

Public Meeting #1

February 18, 2013

Exercise #1 - Treasure Cards

Please write your answer on the "Treasure Card"

Exercise #2 - Ideas Gathering

The planning team needs to know what is working well, what needs improvement and what needs changed in Farmington. Each table tent has a category relating to the Vision Plan.

- Mobility
- Housing
- Public space and programming
- Economic development / Downtown
- Community services and infrastructure
- Reputation / Image / Character

How does this category relate to Farmington? What would you change, improve or keep?

Please take a few minutes to write your ideas below. There is extra space on the back for more ideas and general comments.

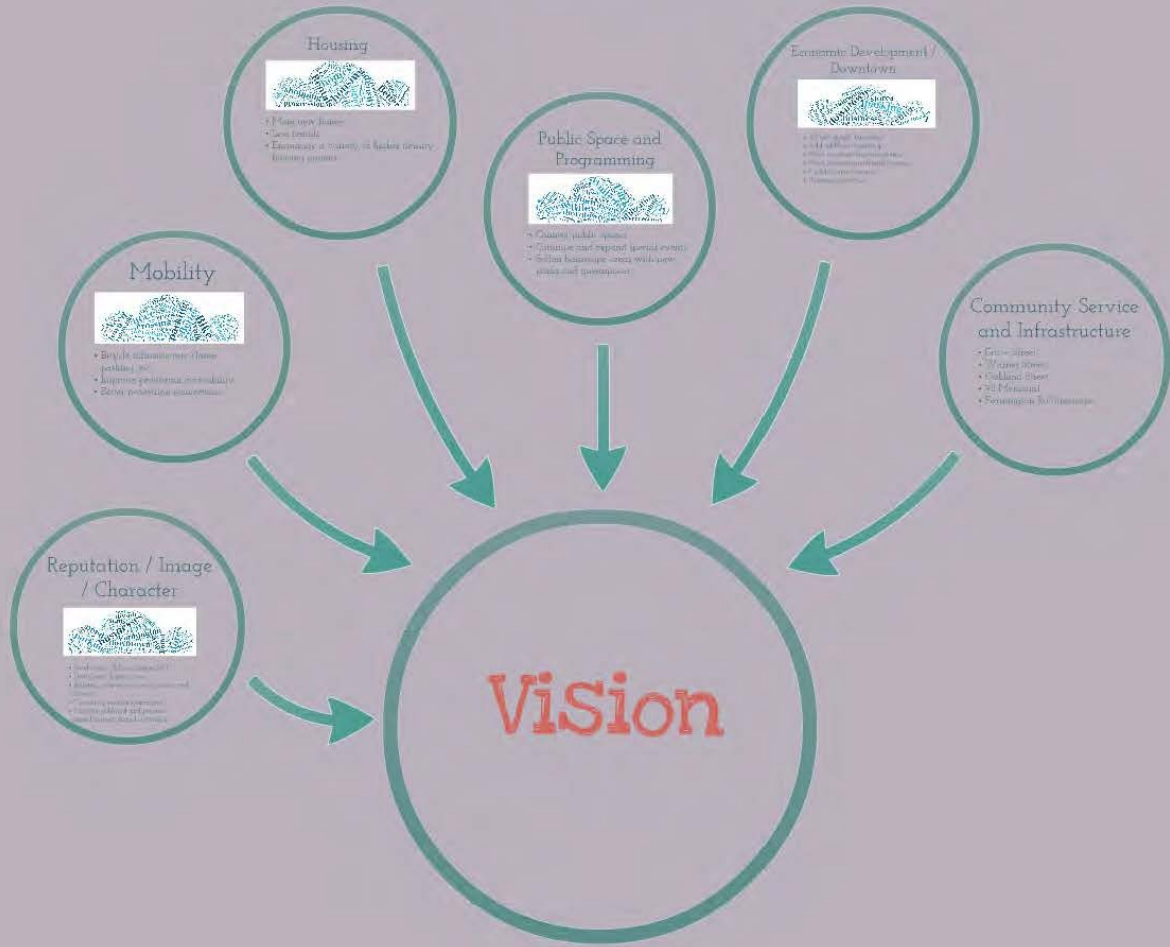

Once finished, please discuss your ideas with the group. You can add ideas to your sheet during or after the discussion as well.

Category _____

Ideas

	Keep	Improve	Change

2.			
3.			
4.			
5.			
6.			
7.			
8.			
9.			
10.			

Vision Elements

Reputation / Image / Character

- Good retail (defines character?)
- Downtown historic core
- Enhance character of strip centers and Kimco
- Too many renters/apartments
- Need to redefined and promote brand...current brand is 'vanilla'

Community Service and Infrastructure

- Grove Street
- Warner Street
- Oakland Street
- 911 Memorial
- Farmington Rd Streetscape

Limited growth (Keep it the way it is)

Considerable growth (Grow up into a 'big city')

No Growth

- Quaint village
- Historic character
- High level of individual service
- Boutique retail
- Pedestrian oriented
- Quality public spaces
- Unique character

Inward Growth

- Maintain character
- Expanded housing options
- Increased density 1-3 stories
- Increase events and community exposure
- Reinvent the brand
- Public/Private partnerships
- Moderate sized parking facilities (surface and stru
- Pedestrian orientation

- Quaint village
- Historic character
- High level of individual service
- Boutique retail
- Pedestrian oriented
- Quality public spaces
- Upscale character
- SEE 1998 PLAN

How

- Increase property values
- Raise taxes
- Significant public investment

Inward Growth

- Maintain character
- Expanded housing options
- Increased density 1-3 stories
- Increase events and community exposure
- Reinvent the brand
- Public/Private partnerships
- Moderate sized parking facilities (surface and struc
- Pedestrian orientation
- Anchor of civic and community uses

- Anchor of civic and community uses

How

- Convert old strip retail to alternative uses (resid.?)
- Grow up (height and density)
- Look to expand professional office opportunities in a mixed-use setting
- Some consolidation of services
- Flexibility in character and design
- Sell outdated community facilities

Outward Growth

- Broader residential value and product types
- Serves as 'downtown' for larger market area
- Multiple parking facilities
- Significant density 1-5 stories
- Significant public investment
- Private sector investment in public spaces
- Enhanced transportation network
- Public transit connections
- Major regional entertainment
- High-quality AFFORDABLE services

How

- Major regional entertainment
- High-quality AFFORDABLE services

How

- Consolidation with Farmington Hills
- Grow up (height and density)
- New brand/image
- Continue to expand entertainment and events
- Sell outdated community facilities
- Integrate civic and educational uses
- Flexibility in character and design
- Balance auto/pedestrian

Farmington Vision Plan

In thinking about the future of Farmington a number of ideas have been discussed through the process to date about what the City could be. The common theme in these discussions have been should the City have limited growth (Keep it the way it is), or have considerable growth (Grow up into a ‘big city’). Now is your chance to weigh in on this important question. On a scale of 1-10 what do you think the future of Farmington could be?

1 2 3 4 5 6 7 8 9 10

Limited growth (Keep it the way it is)

Considerable growth (Grow up into a ‘big city’)
