<u>Description:</u> Consideration to Approve Special Event Application - Holly Days

Requested Action:

Move to approve the Greater Farmington Area Chamber of Commerce request to hold the 2016 Holly Days celebration in downtown Farmington from 9 a.m. until 7 p.m.; this include the Gifts & Greens Farmers Market and the Light Up the Grand Parade as presented.

Background:

The Chamber of Commerce is requesting to hold Holly Days in downtown Farmington on Saturday, Dec. 3. The day will include a Santa Workshop at Farmington Garage, the traditional Gifts & Greens Farmers Market at the Pavilion and, for its third year, the Light up the Grand Parade. The parade begins at 6 p.m. and will have the same route as last year, there will be six officers posted to help with traffic flow, two will be overtime. This is the same as last year. All downtown merchants will be asked to participate by offering specials and possibly treats at their locations.

<u>Description:</u> Review of Revised Public Works Quarterly Staff Report

Requested Action:

None at this time

Background:

Public Works initiated the use of BS&A Time Sheet Program in the Fourth Quarter of the 2012/13 fiscal year. Prior to that time, all quarterly reports were manually produced. Due to the staff reductions with the re-organization of Public Works & Building Department, the Public Works Department has not produced Quarterly Reports.

Attached is the last Public Works Quarterly Report for your review. Please review the last Quarterly Report and prepare questions or comments of vital information that City Council believes should be included in future Quarterly Reports.

BS&A programs can be tailored to produce Quarterly Reports comparable to the former manual reports, but the BS&A program will have differences due to the BS&A Time Sheets software. During this presentation, I will account for why the differences will be noticed in future Quarterly Reports and have recommendations that could be included in future reports, as the Public Works Department continues to improve our electronic files and equipment.
