

## IMPORTANT ELECTION INFORMATION

### PERMANENT BALLOT REQUESTS

Any registered voter can now request to automatically receive a ballot for every election. To join the list, fill out an Absent Voter Ballot Application—located at [farmgov.com/elections](http://farmgov.com/elections); [mi.gov/vote](http://mi.gov/vote); or at the City Clerk's office—and check the box that says "Automatically send me an absent voter ballot for each future election for which I'm eligible." Voters on the Permanent Application List will have the chance to check this box when they receive their applications in the mail.

Things to note:

- Ballots do not get forwarded. This list may not be appropriate for college students whose locations change between elections and for voters who travel frequently.
- Voters on this list should provide contact information that the Clerk's Office uses *only* in the instance of an issue (signature errors, ballots returned by Postal Service, etc.).
- Voters should expect to inform the Clerk's Office of any temporary address changes as soon as possible to ensure minimal delays in the ballot destination.

### EARLY VOTING

All registered voters in Michigan will have the opportunity to participate in Early Voting. Through an agreement with Oakland County, a regional facility and a central county facility have been provided for Farmington and Farmington Hills voters.

Early Voting is available for 9 days before every election except the Monday before. Hours for all locations are Sunday through Saturday 8:30am-4:30pm and Thursday 12:00pm-8:00pm.

2 locations are available for Early Voting:

For Farmington and Farmington Hills voters

Costick Activities Center

28600 W 11 Mile Rd

Farmington Hills, MI 48336

For all Oakland County voters

Waterford Oaks Activities Center

2800 Watkins Lake Rd

Waterford, MI 48328
